

# INDUSTRIAL RESEARCH INSTITUTE

Date: 10/08/2016

Nº: 522224/032/355634/2016

## Certificate of Inspection

NL 401: 2015

This is to certify that

**The Industrial Research Institute**  
Performed the inspection for  
**Manufacturer: Middle East Industries and Machineries**  
**“SIGMA”BEKAA**

On 65000 LPG cylinders produced during July 2016  
serially numbered from 300001 to 365000

Upon inspection at Sigma plant, and testing of samples at IRI laboratories, L.P.G cylinders were found to be in conformance with the requirements of Lebanese standard NL 401:2015. “Transportable refillable welded steel cylinders for Liquefied Petroleum Gas- Design and Construction”

Each cylinder of the consignment should bear the IRI logo stamped on the guard ring as follows:

Eng. Antoine Faycal

Standards, Metrology & Certification

Division Head

Imad Hage Chéhadé, Ph.D

Director

Technology & Development

Ref. IMP/INS/21 – Rev: 01– Date: May 2010

This certificate remains the property of the Industrial Research Institute to whom it must be returned upon request.
